

CASH IS KING

Welcome to The Laundry People!

At The Laundry People, we're all about keeping things simple, fast, and friendly. We proudly offer top-notch laundry services to make your life easier. You might notice we have a preference for cash payments – here's why:

Cash keeps things straightforward. It helps us avoid extra fees from card processors, which means we can keep our prices fair and affordable for you. Plus, it's quick and hassle-free – no fumbling with apps or waiting for approvals. We're a small business, and every little bit helps us focus on what matters most: providing you with clean, fresh laundry and great service.

That said, we're here to work with you! If cash isn't an option, just let us know – we'll figure it out together. Thanks for supporting The Laundry People – we're grateful to be your local laundry crew!
